Colonoscopies Scheduled Before 1:00pm

Seven Days Prior to Your Colonoscopy
- Stop taking Aspirin and NSAID’s (Ibuprofen, Naprosyn, Mobic, Advil, Motrin, Aleve, Excedrin etc.). You are allowed to take Tylenol.
- Stop taking Multivitamins, Vitamin E, Iron, Fish Oils (Omega Fatty Acids and Lovaza).
- If you are on Coumadin (Warfarin), Plavix (Clopidogrel), Pradaxa (dabigatran) or any other blood thinner - discuss with your Primary Care Doctor when these medications should be stopped.
- If you are a DIABETIC, check with your Primary Care Doctor about what to do with your diabetic medication the day before and the day of the procedure.

Three Days Prior to Your Colonoscopy
- Purchase 1 Large Bottle (238 grams) of Miralax which is sold over the counter.
- Purchase 1 Box Dulcolax 5mg tablets (Green Box) which is sold over the counter.
- Purchase 64 ounce of your favorite drink; Gatorade OR Crystal Light OR Snapple. Any flavor except those with a RED color.
- Purchase a box of baby wipes (moist wipes).
- Purchasing a big wide straw (like you would use for a milkshake) can make drinking the solution easier.

The Day Before Your Colonoscopy
- Follow your Clear Liquid Diet for the whole day. After midnight you are NOT allowed to have anything by mouth until the colonoscopy is completed the next day.
- Place the drink you purchased in a pitcher and mix in the entire bottle of Miralax. Stir the solution well so the Miralax can dissolve, then refrigerate to make it chill.
- Between 3:30pm - 4:30pm the day before the procedure, start drinking one 8oz glass of the solution every 20 minutes until the WHOLE pitcher is consumed. You must take all 64 oz of the solution in order to clean the colon for the procedure. At 8:00pm take 4 Dulcolax pills at once with water. To ensure a complete and thorough examination, complete the bowel preparation as stated above.
- After going to the bathroom, use only the baby wipes (moist wipes) to prevent irritation.

The Day Of The Colonoscopy
- Unless otherwise instructed by your doctor, you may take all your prescription medications with a sip of water. If you have Lung Problems and use inhalers or a CPAP machine, please bring them with you.
- Do not smoke the day of the procedure.
- You must arrive 15 MINUTES prior to the scheduled procedure.
- Because of the medication you will receive during the procedure, someone must accompany you home. For the remainder of the day you will be required to rest at home and not operate a vehicle.
